

Lifestyle expert Angela Jia Kim is dedicated to providing simple tips to creating a better life. She pulls from her experiences as an entrepreneur, jet-setting concert pianist, wife, and mom-to-be to share how people can have it all – family, career, and happiness.

Angela is CEO and Founder of Om Aroma, the first age-defying luxury organic skincare line. She is also part of the husband/wife Co-Founding team of SavortheSuccess.com, the niche social network for women entrepreneurs.

Angela has been featured and quoted in Cosmopolitan, Businessweek, Vogue France, Bravo TV, Cosmo Radio (Sirius) and Fox Business News.

Her charismatic and down-to-earth style make her a sought-after expert to comment on living the life you desire – whether it's effortless beauty tips, recession-friendly gift ideas, fostering better communication with your spouse, “greening” your life, or firing your boss to launch your own business.
